FUN TIME: Follow The Leader

INSTRUCTIONS: Choose a leader or "head of the line". Then everyone else lines up behind the leader. The leader then moves around the room and all the children have to mimic the leader's actions (silly actions can be added for fun). Any players who fail to follow or do what the leader does are out of the game.

While you were following the Leader around, did you ever think they would lead you to somewhere dangerous? Today, we are going to talk about someone who always leads us in the right way. It's so important that we follow Him.

BIBLE TIME: Light is very important! It helps us to see everything around us. When we can see things clearly, we know which way to go. In today's Bible passage, we will see how God's words to us, like those right here in the Bible, are like light for our lives.

READ: Psalm 119:101-105

Familiarize yourself with the Bible passage and summarize it for your younger children. Read it with older children. For toddlers and preschoolers, simply share the answers to these questions with them as you summarize the Bible story. Keep it short and sweet for them 😊.

1. How is God's word like a lamp for us?
2. Where can we find God's words?
3. Read Psalm 119:105 again. What are some challenges you might face if you are walking around in the dark without a light on your path?
4. What are some Bible verses that help us know what we should do?
5. Why do you feel safe and confident when God leads you?

REAL TIME: When we obey God's words, they help to protect us from harm and danger. When we need to know what to do and what not to do, one way God helps us is through His Word.

Read John 8:12. Jesus is speaking to us. He tells us very clearly Who He is. He also tells us what will happen if we follow Him. If we want His kind of life, we must decide to allow Him to guide us in every area of our lives and in every situation. So, let's ask God now for His light to help us.

PRAYER TIME: Dear God, thank You for being The Light and guiding us. Help us to follow You and make right choices. Show us, from Your Word, what we need to do in every decision. We choose to follow You. In Jesus' Name, amen.

"I am the light of the world. If you follow me, you won't have to walk in darkness, because you will have the light that leads to life."

John 8:12 (NLT)
