What's Your Purpose?

(Knowing Your Assignment)

There seems to be an epidemic of unhappy, unproductive and frustrated people in the world, and a major cause is because people just have not found their unique purpose and understand what their God given assignment is. **Purpose is defined: a target, an aim, a goal, or an intention or reason something is done. Assignment is defined: A position, post or office to which one is assigned; a specific task.** Not knowing our purpose or understanding our assignment can be the reason why many suffer problems such as depression, a lack of contentment in family, rebellion against authority, low self-esteem and many others. God saw a need in the earth and He created **YOU** to meet that need. It's vital that you find your purpose and understand your assignment for your wellbeing, to fulfill your divine destiny of impacting the people you are called to reach. Our earthly influence and heavenly reward is tied to our walking in purpose and fulfilling our assignments according to God's plan!

READ: Jeremiah 1:5 NLT , Judges 13:1-5, 24-25 NLT. Your purpose and assignment is God's reason for creating you on the earth. He guides and leads us along life's way.

1. Has your life mission been revealed to you? If so, how? If not, what will you do to discover it?
2. Describe incidences of certain problems, persons or situations that keep appearing in your life and you wonder why?
3. Would you say these may be God's leading? why or why not?

READ: Romans 12:6-13NLT, Hebrews 12: 1-2NLT. Every believer has a God-given gift to do certain things well. It is our job to discover and to complete your God-given assignment.

4. What are some hindrances that can slow you down or stop you from completing an assignment?
5. How do you overcome these obstacles?

READ: Proverbs 20:27 KJV, John 10: 1-5 NLT God can speak to you by the inward voice. Holy Spirit guides our Spirit and leads us in the right direction. We have an "inner knowing".

6. What adjustments should you make so that you will walk out your God given purpose & fulfill His assignment?
