POWER TO HIS PEOPLE

Have you noticed that if a cord is not solidly plugged into a socket or power source, no power is transferred? The reason being obvious; the cord is totally dependent upon the "Power Supply" in order for it to serve out the Manufacturer's purpose and plan for its use. In like manner; Holy Spirit (the 3rd Person of the Trinity) is our "Power Agent". God supernaturally endows His people with His awesome power (strength, forcefulness, efficiency) when we allow Holy Spirit to live in us and we remain connected to the Power of God given us by Him. Our connection is secure as we trust in His power, exercise His power (speaking His Words into a situation), and act on His word (obeying His commandments). So never ever believe you are weak; just make sure you stay fully connected & *plugged* into Holy Spirit...for He is the source of your power!

READ: Luke 4:1, Acts 10:38, Matthew 28: 18-20 - Jesus was filled with Holy Spirit, led by the Spirit and empowered by the Spirit to perform miracles. We too can be filled with that same power.

1. Share any experience you can recall Holy Spirit working in your life.
2. In your own words, describe what it's like to sense His power at work in you.

READ: John 14: 16-18, John 16:7-16-Jesus promised the Spirit as a permanent guide, teacher, seal of our salvation and source of power for believers to help them spread the message of the gospel around the world

3. Describe some of the things that are causing "kinks" in your connection with Holy Spirit.
4. How does this happen?

READ: Ephesians 6:10-18 -We must put on the *whole armor* of God's Holy Spirit. His power *working* in us is the source of our victory providing the energy for ourselves and others to overcome!

5. Name one adjustment you plan to make to secure the proper connection to the Power of Holy Spirit.
