Persistent In Faith

Persistent is defined as being tenacious or obstinately continuing despite problems or difficulties (Encarta Dictionary) Bible **Faith** is defined as *the substance of things hoped for, the evidence of things not seen* (Hebrews 11:1) **Persistent** faith is an adjective that is used to characterize the type of faith we should apply to our lives. Therefore, **Persistent In Faith** is believing God could do something at any moment that could change the direction of your life, **so we must keep moving forward; knowing and in full confidence** that God is able to do as He has promised you He would do. God rewards us when we are **persistent in faith**. Because it is our faith that pleases Him. God instructs us in His Word not to be double minded or doubtful in our asking, but to keep asking, to keep seeking, and to keep knocking. He is a rewarder of those who are persistent in faith.
