INT'L CHRISTIAN CENTER

Please visit wordoffaith.cc/christmas for full program information.

Special Notice: For everyone's enjoyment and safety, please keep the aisles clear of obstructions and remain seated during the concert. Please use the restrooms before the concert begins. Should you need to leave the sanctuary during the concert, please be aware of the limited lighting and concert actors in the aisles when moving about in the sanctuary. Audience members moving around during a performance can be distracting to the actors as well as unsafe since the house lights will be turned down or off. Also note that there will be flashing concert lights during the performance, which may cause medical reactions. If you have a medical condition that prevents you from being around flashing lights, should you enter or remain in the sanctuary, you do so at your own risk.
